My dear Mrs. Collier :-

Was very sorry you found me busy in the yard tuesday and unable to stop and help you out with the Collier line. Wish you had made a date to come out, then I could have been prepared and had all my data to-gether.

It is true that Durwood gave me lots about the Coll.

ies, which I prize very highly, but from Vines Collier, who served as an Ensign in the Colonial Navy. to my grandfather, I received from his half brother Dick A. Collier, who has since passed on. With this information I joined the Daughters of the American Colonist which is the same as the Colonial Dames, but have never been

able to prove any Revolutionary service.

If you will refer to a paper Durwood has, a copy of which he gave me, "American Line" Cont. from No. 59 on Staffordshire Line P. XXVIII. you will find a record of Varies Collier's Colonial Service. His son Cuthbert Collier born in 1785 died 1845 his wife Rebecca born 1787 died in 1845. As recorded on tomb

in family cemetery.) His
son Dick N. Collier and then
my grand father John Mar
lin Collier, and so on.
Now its possible that your
husband is also a decend
ant of this same Cuthbert
Collier who is a son of Vines
May be Cuthbert Collier had a
son named Isaac Cuthbert
as it seems Dunward claims
decent from him, but his date
of birth is wrong for if

this be the case his father died a years before he was born.
Find out where Durrwood secured his data in regard to Isaac Cuthbert and if you can throw any light on the subject, shall be only too glad to help you further.
Maybe Durrwood claims decent from Robert Colliers a son of Vries and Isaac Cuthbert a son of Robert and maybe

Isaac Cuthbert is your husbands father.

Please write me which is correct and I shall be glad to assist you any way I can.

Perhaps if you can come up here again, and write me before hand, that you will bring all your data we can straighten this out.

If in the near future I go to Thomaston and have not

had a visit from you, I shall be glad to stop and see you and help you out. Will of course be glad to bring my papers with me.

With very best wishes and expecting to hear from you again

Sincerely

Anna Belle Collier Sage
